THANK YOU

Dear Lilianna,

THANK YOU so much for the best stay ever! We love Casa da Obra; we love everything about Casa da Obra - the house, the chapel, the gardens, the pool, the view and of course, Lilianna.

Thank you also to Grandmother for the beautiful food. We appreciate your kindness, generosity and hospitality - all outstanding and in the true spirit of a Jesuit Refuge.

We feel privileged to have been able to experience such wonderful hospitality in such a special location.

Lots of love + best wishes from Russ + Trish Garrad
